DECEMBER 1959

"FOR, BEHOLD, I BRING YOU GOOD NEWS OF GREAT JOY . . ."

And she gave birth to her first-born son and wrapped him in swaddling cloths, and laid him in a manger, because there was no place for them in the inn.

And in that region there were shepherds out in the field, keeping watch over their flock by night. And an angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were filled with fear. And the Angel said to them, "Be not afraid; for behold, I bring you good news of a great joy which will come to all the people: for to you is born this day in the city of David a Savior, who is Christ the Lord. And this will be a sign for you: you will find a babe wrapped in swaddling cloths and lying in a manger." And suddenly there was with the angel a multitude of the heavenly host praising God and saying, "Glory to God in the highest, and on earth peace among men with whom he is pleased!"

When the angels went away from them into heaven, the shepherds said to one another, "Let us go over to Bethlehem and see this thing that has happened, which the Lord has made known to us." And they went with haste, and found Mary and Joseph, and the babe lying in a manger. Luke 2:7-16.

The World Convention — A World Fellowship
Edinburgh, Scotland, August 2-7, 1960

C.A.B. Rule Complicates Air-Travel Plans

When the World Convention of Churches of Christ started to make tentative arrangements for transportation of delegates from the United States and Canada to the Sixth Assembly of the World Convention of Churches of Christ to be held in Edinburgh, Scotland, August 2-7, 1960, arrangements were made for use of chartered planes as had been done in connection with the Melbourne Assembly in 1952.

The Civil Aeronautics Board, Washington, D. C., under date of March 3, 1959, issued an order prohibiting air carriers from providing chartered plane service to nation-wide organizations having a membership of more than 5,000. Since the Disciples of Christ have a total membership of around 1,900,000 in the United States and Canada, the World Convention would not be eligible under this new ruling for chartered plane service. Therefore, "economy flights" on regular schedules of air lines, both domestically and in trans-ocean service, will now be used.

In some respects this will be advantageous to the delegates since the new arrangement will now permit groups of delegates to travel together from various centers in the United States to New York and from centers in Canada to Montreal and thence continue the trip to Edinburgh over the Atlantic Ocean. Oregonians may secure travel data from **CHARLES ADDLEMAN**, 304 Fitzpatrick Building, Portland.

Second Section Added to Africa Mission Tour

A second section is being organized for a 1960 Africa mission tour which is tied in with the World Convention in Edinburgh. One group will leave New York June 6; the other, July 29.

Both groups will visit Ghana, Congo, Egypt, Jordan, Israel, Greece, Italy, Germany, France, Belgium, England, and Scotland. The earlier group will go to the convention after touring Congo mission stations; the second, to Congo after convention.

The tour's original quota of 25 had been filled a year ahead of the trip; hence the new section. Each man or woman pays his own expenses, but has flight and hotel arrangements worked out by a staff member of The United Christian Missionary Society. The groups will meet missionaries and national church leaders.

KEEP CHRIST IN CHRISTMAS MOVEMENT

Portland Group Grows

In the midst of the feverish commercialism enveloping the celebration of Christmas the activities of the Keep Christ in Christmas movement bring a heartening lift. Some communities in Oregon are really attacking this problem, notably Portland. Since 1953 the Keep Christ in Christmas Committee of Portland, an interfaith venture, has been gaining momentum. Numbering now seventy-five or more members, the committee has interested stores and hotels, billboard concerns and a dairy or two, radio and TV stations, big dailies and neighborhood weeklies in carrying the message in word and display that Christmas is Christ's birthday, and it has awakened churches to active sharing.

Each of these eight years a Christmas Festival the first Sunday of December all afternoon has offered beautiful music by several choirs and organists, Christ-centered art and floral arrangements, and the Christmas Scriptures by several ministers. About eight thousand guests came a year ago. This year's Festival, held December 6, from noon until six at Multnomah Hotel on the mezzanine, should climax all others.

It may interest Oregon Christians to know that three members of the Keep Christ in Christmas Committee are Disciples. They are Mr. and Mrs. Earl Heym (First Christian, Portland) and Miss Zada Tinker (West Linn.)

Committee's Suggestions

1. A Christmas greeting card.
2. Xmas leaves Christ out.
3. A display in your window or garden.
4. Family worship with special attention just now to teaching the children the significance of Christ's birthday.
5. Interpreting Christ through practicing brotherhood with a song in the heart.
6. Giving friends and family adults Christmas gifts of compassion in their names to: support of a refugee child, a CARE package, a missionary gift, a relief or mercy fund gift, a goat for Korea or anywhere, help to your distressed neighbor.
7. Family sharing of significant activities; making gifts for needy and aged, with sacrifice of own time and denied pleasures; building of nativity scenes and worship centers together; child drawing and modeling to express his own response to God's love and His gift of a Savior.
8. Memorizing of Scripture and devotional verse for refreshment of spirit.
9. Taking some non-attendant to church to glorify God.
10. Creative Christian reading.
11. Expressing your appreciation by a card to TV and radio stations, newspapers, business firms, clubs, billboard concerns, and any others who carry the Christian message.

Christmas Greetings from State Board of—

OREGON CHRISTIAN WOMEN'S FELLOWSHIP

—by Idella Osburn

This month, the birthday of our Lord and Savior, Jesus Christ, depicts many things to many people. To the Christian it is a vivid reminder that he was appointed to "Go into all the world and preach the Gospel." May our Heavenly Father bless you richly at this season of the year and may the next, 'Decade' bring new vision and greater accomplishments for Him.

SIX MONTHS' STUDY

Christian Women's Fellowship is in its final throes of the first six months' study. The "Churches' Mission in Town and Country" has been informative but will be of no avail unless we have been motivated to active service. What projects were chosen for future action? What are we going to do actively to help improve the situation?

Here are some suggestions we might adopt to put the evidence of our study to work. 1. I will volunteer to conduct a study of rural and urban church areas. 2. I will volunteer my services to an urban or rural church in need of assistance.

3. I will help them to become better acquainted with the Brotherhood work in state, nation, and world. 4. Realizing that the larger families live in the rural and urban areas, I will help to stimulate their church loyalty by encouraging city churches to volunteer their services for work days, helping with missionary organization and study, and training leadership.

5. I will endeavor to acquaint myself with the State Migrant Work Program and encourage city churches (my church) to fill their needs. 6. I will acquaint the country church in brotherhood literature: **World Call**, **Christian Board of Publication**, **Christian Evangelist**, etc. 7. I will encourage qualified persons to prepare for specialized Christian ministry. 8. If I cannot go to rural or urban areas I will help send others by my support to our Home Missions program.

9. I will attend the Council of Church meetings, United Church Women, and the next Town and Country Assembly in my area. 10. I will take an active part in my local church's program and strive through study, prayer, and service to grow spiritually.

These "I WILLS" might be incorporated into the worship period, giving the group an opportunity to choose golden deeds of service so that study will bear fruit. Select a future date for a report on how commitments were accomplished and results thereof.

OREGON CHRISTIAN—December 1959

AFRICA

The next study is AFRICA. Never has it been more pertinent than now. Ira Paternoster wrote recently that within the next ten years 100 million Congolese will change their faith. What will it be: Muslumism, Communism, or Christianity? The answer lies in the hands of Christians.

To help create interesting studies, use Wright Studio materials. They are not only decorative but useful in teaching about the study involved. They are designed to complement the current study. Choose quizzes, songs, games, stories, and decorations applicable for any occasion. Write: Wright Studio, 5264 Brookville Rd., Indianapolis 19, Indiana.

WOMAN'S DAY

We hope every one had a successful Woman's Day and sent the offering, along with the quarterly offering to UCMS. The work must go on and needs our continued support. Let's protect our investments.

WORLD CALL may be subscribed to for \$1.50 up to January 1 for single subscriptions. Prices are going up to \$2.00 in clubs of five - \$2.50 for singles. Every-Home Plan remains the same, \$1.50 per person. LAST CALL.

Consultative Conference on CWF Work Being Held

A consultative conference to be held Jan. 25 to 29 at the Union Building, Indiana University, Bloomington, will evaluate the past 10 years of Christian Women's Fellowship "in light of the changing role of women in church and secular life."

Some 135 to 150 persons will participate, including representatives of laymen, laywomen, and ministers of local congregations, along with state and international CWF officers and advisory council and staff members from a number of Disciple agencies.

They will also study ways in which women's groups serve their constituencies and will evaluate program and organizational materials and determine what changes and additions should be made.

DEADLINE
DECEMBER 15**

PRESENTATION of her husband's book is made by Mrs. Cordelia Swander. The recipient is Don Stram.

C. F. Swander's Book Is Honored at Program

Mrs. Cordelia Swander presented a copy of **Making Disciples in Oregon** to Don Stram, minister of the Liberty Church of Christ, at the 26th Anniversary program of Turner Memorial Home on the afternoon of October 18.

Don had prepared the script for the program which paid tribute to the memory of the pioneer New Testament preachers in Oregon. Most of the material for the script was prepared from the book written by the late Brother C. F. Swander, state secretary of Oregon Christian churches for over 40 years. Since a copy of the book was loaned to Don from the Home library for the work, it was felt he should have a copy of his own. Mrs. Swander personally autographed the book when it was secured and presented it at the close of the program with fitting remarks.

Mrs. F. Claude Stephens, Elmer M. Patterson, E. J. Gilstrap, and Norris J. Reasoner participated in the narration of the script. C. C. Curtis led the singing, Lawrence Britton and Robert Hendershot each sang a solo. Mrs. L. W. Myers read the scripture, and Mrs. Earl Lyda was pianist for the program, which was held in the Turner Christian Church.

NEW ADDRESS

The headquarters of the Oregon Christian Missionary Society have moved into different rooms on the same floor of the same building. The change was necessary to provide space for the new director of evangelism and church development, Sherman Moore.

The new address is 304 Fitzpatrick Building, Portland. The new phone number is CA6-7648. The staff encourages visitors to drop in to see the new quarters.

Contest for Best Stewardship Sermon

Every minister in the brotherhood is invited to submit a stewardship sermon in the new contest sponsored by Unified Promotion. The top award will be \$200, and the second place sermon will win \$100 for its writer.

Several annual contests have been conducted to encourage seminary students to write creative stewardship sermons. Now the search is on for the best stewardship messages coming from any Disciple pulpit. Two will win awards. Every contestant will be winner if he has created an effective stewardship sermon for use in his own church.

Rules for the contest are:

1. The sermon submitted must be original and one that has been delivered before a local congregation (1959-60).
2. The sermon shall not exceed 2,500 words in length.
3. Three typewritten, double spaced copies of the manuscript must be submitted.
4. All entries must be received on or before May 1, 1960.
5. All quoted materials must be accurately and completely identified.
6. Sermons will be judged on:

- A. **Stewardship Content** - philosophy of stewardship, Biblical orientation, pertinent illustrations.
- B. **Literary Quality and Homiletic Force** - originality, appeal to listeners, organization of ideas, choice of language and clarity of expression.

Address entries to Jack V. Reeve, Stewardship Secretary, Unified Promotion, Box 19036, Indianapolis, Indiana.

Second New Outpost Added in Northern Argentina

Resistencia and Barranqueras, two Disciple churches in the Chaco section of northern Argentina, have added a second outpost more than 60 miles to the north of Resistencia.

The first was General Vedia; the second, Puerto Bermejo. The latter is on the west bank of the Paraguay river across from Pilar, Paraguay. Angel Peiro had 35 ready for baptism there in September, 1959, when Pastor Feliciano Sarli conducted a preaching mission.

"Our congregation in Resistencia is enthusiastic over the results, and we can notice a revival because of the blessings and results we see in the lives of these simple farmers," Mr. Peiro says.

A good country preacher must be added, he notes.

STEPHEN FENN, minister of the Bethel Christian Church, Eugene, was awarded the Mother Bailey Scholarship from the First Christian Church, Eugene. Stephen Fenn is a senior at Northwest Christian College.

LeROY LAWSON, Northwest Christian College senior from Tillamook, is president of the NCC Student Body and is also serving as minister to the newly organized Villa Ridge Christian Church, Portland.

CHURCH-ARCHITECTURE CLASSES SCHEDULED AT— *Northwest Christian College*

—by Dr. Ross J. Griffeth

Prof. John Boosinger will bring three lectures concerning "The Apostolic Ministry and Ecumenism" to the Oregon Preachers Parliament on January 12, 13, 14. These lectures will be given during the evening sessions in the First Christian Church of Eugene and will be open to the public.

Prof. Boosinger spent last year in the Institute of Ecumenical Studies near Geneva, Switzerland. He has returned to Northwest Christian College with a wealth of new information and a renewed emphasis on the historic plea of the Christian Churches for a truly "New Testament Church."

SHORT COURSE

A short course, Church Architecture, will be held during the week of January 18-22, 1960. Mr. Charles Betts, Consulting Architect with the Board of Church Extension of Disciples of Christ, will teach the class again this year. The daily sessions will be held late in the afternoon. Congregations that plan to build new or remodel will act wisely if they send delegates to take this course and spend the week at Northwest Christian College. Cost of the course for tuition will be \$7.00. Help in securing low-cost living quarters will be given by the college to those who request it. For further information, write to Northwest Christian College, Eugene, Oregon.

ANNUAL PRACTICUM

The annual Christian Education Practicum will be held in the First Christian Church of Springfield, Ore., on January 25 - Feb. 5. Miss Mabel Metze will direct the Practicum. Anyone interested in enrolling for this course for the two-weeks' period should write to the College very soon so that a place in one of the classes can be reserved, since the enrollment will be limited. There will be classes for those in the various classes of the Children's Department of the Church School.

SERVICE PROJECTS

Northwest Christian College students have been engaged in a number of fine service projects. One group of young men went to Turner and helped in making repairs and improvements at the Turner Memorial Home. One of the girls' houses has adopted a project connected with the Fairview Home at Salem. They are helping children make the transition from institutional life to normal home life.

EVANGELISM

Faculty members and students are sharing in the planning for another great evangelistic emphasis in Oregon along with our state evangelist, Sherman Moore. The year ahead gives promise of a great step forward both in planning for new congregations, establishing some new congregations, and winning many to Christ and His church through established congregations. Personnel at the College will gladly contribute time and work to this evangelistic effort.

AUTHORS

A recent issue of the *Christian Evangelist* carried a fine devotional article by Chaplain Arnold Porter, NCC graduate. Nora Bradshaw of the NCC Class of '59 is another recent contributor to that paper. She is working for the Christian Board.

STUDENT PREVIEW

The next "Student Preview" for high school seniors and juniors who consider coming to Northwest Christian College will be held April 8, 9, 1960.

NCC DAY

Just as a reminder, Northwest Christian College Day in the churches is scheduled to come one week after Easter in 1960. The date is April 24, 1960. This is Christian Higher Education Sunday throughout the U.S.A. and among all Christian communions. Now is the time to make your calendar for that day.

Eugene Youth Counselor Dies in Flaming House

Mrs. Ruth Daniels of Eugene, 57, lost her life in the flames that destroyed the home where she was staying overnight in Lebanon, November 21. Two Corvallis Chi Rho girls who had overnight lodging at the same home escaped unhurt, but lost their clothing and other possessions. The girls were Peggy Smith, and Lois Finnell.

Mrs. Daniels, who was superintendent of the dining hall at Northwest Christian College, was in Lebanon serving as counselor at the recent Christian World Fellowship Youth Meet. She was a member of the First Christian Church of Eugene. The girls were attending the same meeting.

The home which burned was that of Mr. and Mrs. Leonard Sherrill. The Sherrills had reportedly smelled smoke about 1:30 a.m., but an investigation failed to reveal any fire. Two hours later the entire structure was ablaze.

The two Chi Rho girls managed to escape by crawling onto a roof and descending by a ladder. Mrs. Daniels apparently was trapped in her room.

Oregon Preachers Meet in Parliament, Jan. 12-14

John Boosinger Will Deliver Special Lectures

The Oregon Preachers' Parliament will center its attention upon "The Ministry" this year. Dates for the Parliament are January 12-14.

There will be three major parts to the program. One: Three lectures by John Boosinger on the Theme: "The Apostolic Ministry and Ecumenism." His purpose in these lectures is to point out some of the thinking and problems in the ecumenical movement relating to the ministry and evaluate them against the background of the New Testament.

Two: Three discussion problems relating to the general theme of the Apostolic Ministry and Ecumenism. It is hoped that in these discussions some of the problems facing the church will be brought into sharper focus so that a greater application of the teachings of the New Testament can be given them.

The problems to be discussed are: 1. The Apostolic Ministry in Relation to Terms of Church Membership. 2. The Apostolic Ministry as Related to the "Sacraments." 3. The Apostolic Ministry as Related to Doctrine.

Three: There will be four sermons, designed to give inspiration and challenge to the minister in his personal life and work. Four Oregon ministers will deliver these sermons.

DULCINA ELLIOTT REPORTS FROM EUGENE CHRISTIAN HOUSE

"The Life and Mission of the Church" is the subject of much study and discussion at the Eugene Christian House preparatory to the great Ecumenical Student Conference at Athens, Ohio, Dec. 27 — Jan. 2. Thirty-eight students from the Christian churches are enrolled in the five all-campus study groups at the University, with Ted Yamamori and Nicoli Ross Donnell serving as student leaders.

International students as well as American are expected at the Conference, and church groups interested are asked to help bear the costs of sending them to share this great Quadrennial experience. For those who cannot go clear to Athens, Ohio, the Presbyterians are sponsoring an inclusive "little Athens" at Menucha, Dec. 27 - 31. In view of the need for more inter-church sharing with groups involved in the merger proposals, this should attract many Christian-church students along with those of the Congregational and Evangelical United Brethren.

Harley Cook represented Eugene at a merger meeting in Walla Walla, Washington, recently. As national DSF vice-president, he is sending his impressions of the experience to all the regional DSF mailing list.

Christian House will again make their popular Christmas door pieces or swags, proceeds going to help students attend the Ecumenical Conference. Out-of-Eugene orders are welcome. Swags are \$2.00 each, and are very beautiful. Kammy Chun Steen will again be in charge of making them. Address, 736 E. 16th Ave., Eugene.

RICHARD FLOOD, CAMPUS MINISTER, CORVALLIS

A mortgage-burning ceremony was held November 8 during the morning worship at the Corvallis Christian Church to celebrate the final payment for the Christian Student Center property. Russel Adams, member of the Student Commission, gave a brief history of the project, and Allen Horn, church treasurer, burned the mortgage. Glyn Adsit, minister of the church, presided over the ceremony. A reception was held for the students after church in McLean Hall.

Eight students are planning to attend the 18th Ecumenical Student Conference on the Christian World Mission at Athens, Ohio, December 27 to January 2. They are Peggy Cruickshank of McMinnville; Judy Herbison of Sutherlin; Victor Kim of Kailua, Oahu, Hawaii; Sue Lewis of Eugene; Barbara Jacobson of Klamath Falls; Barbara Johnson of Ashland; Emmalene Maine of Mosier; and Fritz Mishler. These students along with other students on the campus are engaged in study-discussion groups and Bible-study groups. Approximately 40 students from Oregon State will attend the conference by chartered bus.

Don Weber, evangelism chairman for the DSF, led the students in a calling campaign and called upon all 490 preference students during the month of November.

A Thanksgiving Candlelight Communion Service was held Tuesday evening, November 24. After the Evening Fellowship on December 6, the group will go caroling to homes of shut-in members of the Christian Church.

How Can a Church Observe World Refugee Year?

What is your church doing about World Refugee Year? Could you help sponsor a community-wide observance, giving out information, showing how refugees have to live, contributing to the resettlement of European refugees, and sharing with those who cannot be moved? Many members of Eugene First Church are cooperating in such a city-wide project to be held later in the year.

STATE COMMISSION ANNOUNCES APPOINTMENT OF NEW MEMBERS

Two new appointments have been made to the state Christian Action Commission. They are Richard Flood, campus minister at the Christian Student Center in Corvallis, and Ed Sheets, elder of the Hermiston church and prominent lay leader in Eastern Oregon.

Dr. Bixler Directs Family-Life Clinic at Forest Grove

Forest Grove Christian Church was a scene of activity the weekend of Nov 13-15, as Dr. Lawrence Bixler of Northwest Christian College conducted a very successful Family-Life Clinic. Attendance the first evening was 85, and the Sunday-evening meeting was over 100. During the Sunday morning period he taught the two adult Sunday-school classes, 9:45 and 11:00.

There was a nursery provided each evening by the church for all babies and toddlers. There was a class for primaries taught by Neil McGlasson. The juniors were taught by Miss Arleta Nord; the Chi Rhos by Mr. and Mrs. Curtis Allen and the high school by Mrs. Eugene Stewart. These classes used visual aids very liberally as well as handwork and study guides.

The closing devotionals each evening were led by Mr. and Mrs. Frank Tosch and family, Mr. and Mrs. Luke Crumly and family, and Mr. and Mrs. William Parks and family. Miss Dorothy Howes and Mrs. J. D. Harleman are respective chairmen of the commissions of Social Problems and Education that combined for this venture.

Dr. Bixler stressed the need for churches to develop a good family-life program. In discussing dating he commented that the youngster in the teen age period is a changing person and needs to go with different young people. In discussing the feeling that people often have dislike for their parents, he commented that this is often not really dislike or hate, but in reality is rebellion showing our need to become independent of our parents.

DR. LAWRENCE BIXLER, center, confers with Elby Boosinger, minister of the Forest Grove Christian Church.

It was the fifth-place award for churches in towns under 2,500 population, and it was accompanied by a \$75 check. The prize was presented at the Town and Country Church Improvement banquet, November 5, at the Smyrna Congregational Church.

WORKSHOPS in CHRISTIAN EDUCATION and the FINE ARTS on Pacific University Campus

January 8, 9 — Music in Christian Education

March 18, 19 — Art in Christian Education

April 23, 24 — The Dramatic Element in Christian Education

In addition to Pacific University faculty members there will be outside leadership for the workshops. All leaders are specialists in their fields.

"The fine arts in Christian Education" is an area that is too often neglected in the program of the church. Here is a new, fresh, and creative approach to the problem. Because of the nature of a workshop the enrollment will of necessity be limited. Churches should begin now to choose leaders who will profit by the experience. Save the date. Detailed publicity will come later.

Direct inquiry to Ruby Peregrine, Educational Consultant, Oregon Council of Churches, Christian Education Department, Pacific University, Forest Grove, Oregon.

To All Oregon Christians MERRY CHRISTMAS
